

Do you have a passion for integrated health and care coordination? Would you like to be a valuable member of a diversity driven, mission-minded team that impacts our community? If so, we have an exciting opportunity for you to work as a **Nurse Care Manager!**

What You Will Be Doing

As a **Nurse Care Manager**, you will have the opportunity to specialize in integrative health by coordinating patient care across the behavioral and physical health spectrum of services. You will be responsible for a caseload of high risk patients and will work as a liaison between KCMHSAS and other physical health providers to ensure your patients receive appropriate services and continuity of care. This may include triaging referrals, scheduling mental health assessments or emergency mental health services, and/or coordinating a same day psychiatric consultation for primary care doctors. You will develop an integrated health care plan for your patients and work in collaboration with other providers to ensure care plan goals are met. Additionally, you will be responsible for tracking outcomes of patients participating in your program. **This is a grant funded position through September 30, 2020.**

What We Require

Associate's degree in Nursing (Bachelor's preferred) along with a valid RN license in the State of Michigan, valid driver's license and reliable transportation. A minimum two years' experience in the primary care or mental health field, preferably in a community setting. Strong understanding of recovery-oriented services for individuals who have psychiatric needs, are intellectually/developmentally disabled, and/or who have substance use disorders. Intermediate computer skills, including MS Word, Excel, and Outlook. Strong experience with electronic health records and the ability to work within more than one system.

Who We Are

Kalamazoo Community Mental Health and Substance Abuse Services (KCMHSAS) has been delivering quality services and programs to improve the lives of those we serve for over 30 years. KCMHSAS works with youth, families, and adults with mental illnesses, intellectual and developmental disabilities, and substance use disorders to help them succeed. We provide welcoming and diverse community partnerships which collaborate and share resources to support individuals and families to be successful and achieve their goals in a trauma-informed environment.

Why Work For KCMHSAS?

Because we make a difference in the lives of the individuals we serve in the Kalamazoo community every day. You will have the opportunity to work with amazing co-workers in an environment that values diversity, inclusion, work/life balance and encourages ongoing education for professional development.

We also offer a competitive compensation and benefits package, with some of the best retirement plans in southwest Michigan. You will also enjoy 10 paid holidays, 23 days of PTO and the opportunity to earn additional PTO hours for participating in our wellness program!
